RE: 94 CF 264 SDP ALLENSWORTH PRE TRIAL

Nathan Ochsner, Clerk of Court

In Jan 1990 three long-time neighbor boys put a condom on my penis in a boy's bedroom before a hidden video camera w/sound. One boy said I will hurt your balls unless you get it up. I dispelled [rid my mind of] this remark. I heard about it in court on Sep 13 2019 and got info about a hidden May 1990 police report in Aug 2021.

Then judge Mathers focused on AGE OF SEXUAL CONSENT at my April 1991 JURY TRIAL. I submit info on this issue from Tucker Carlson's 2021 book THE LONG SLIDE - THIRTY YEARS IN AMERICAN JOURNALISM.

Page 7 Publishers often said there is only one answer to offensive speech, & it's more speech. It seemed like they meant it.

At some point they stopped meaning it. In Dec 2016 Simon & Schuster signed a book deal with Milo Yiannopoulos, an editor at Breitbart News.

Journalists suggested that Yiannopoulos's habit of questioning dominant cultural cliches was somehow immoral.

The Chicago Review of Books denounced S&S's contract with Yiannopoulos as a "disgusting validation of hate," & announced they would no longer review any book S&S published.

Page 8. Attacks like these rattled S&S & its corporate parent CBS. In Feb 2017 S&S announced they'd ended the book deal. Here's what Yiannopoulos actually said: cancelled

Pages 8&9 "The law [legal age of sexual consent] is probably about right...but there are certainly people who are capable of giving consent at a younger age. I certainly consider myself to be one of them, people who are sexually active younger....this is one reason I hate the left. This stupid one size fits all policing of culture. This sort of arbitrary and oppressive idea of consent, which totally destroys, you know, the understanding that many of us have -- the complexities and subtleties and complicated nature of many relationships....the relationships in which these older men help those young boys discover who they are, and give them security and safety, and provide them with love and a reliable sort of a rock [in cases where] they can't speak to their parents.
